Alister McRae

8.00am FRIDAY 11th JUNE 2010

COLLIE MOTORPLEX

Using the skills and experience that have made McRae a house hold name in international motorsport, SpeedAware Performance Driver Training has been established by International Rally Champion Alister McRae, to bring the thrill of motorsport to members of the public who would not normally get the opportunity.

LEVEL 1 PERFORMANCE DRIVER TRAINING

Whether starting from scratch or improving on your existing Performance driving skills, whether you aim to be able to drive safely on the open road, compete in Tarmac Rally, or participate in Circuit Racing you will gain invaluable knowledge from this performance driver training course.

A limited number of Hotlaps will be available with Alister McRae at the wheel of one of SpeedAware's race prepared high performance vehicles

CATERING

A BBQ lunch shall be provided to participants. However, bottled water and soft drinks will be available for sale throughout the day.

WHAT TO BRING

Participants are required to provide their own vehicles and safety equipment including helmet, long sleeved shirt, long trousers and fully enclosed shoes (limited helmets available for hire if required)

At all times it remains the responsibility of participants to provide their own suitable vehicle and safety equipment. Each vehicle will be scrutinised prior to being allowed to be used in any training conducted by SpeedAware or those employed by the company. Vehicles deemed acceptable will be required to show the applicable markings for the event for the entire duration of the event. SpeedAware reserves the right to refuse access to the circuit and training, any vehicle it deems unsafe at any time for the duration of the event.
